

FOOTBALL GAME TO PLAYED HERE THIS AFTERNOON

There will be a football game at the ball park this afternoon between the Putnam high school and the Florida School for the Deaf. This game was to have been played at St. Augustine, but was transferred to Palatka on account of the flooded condition of the St. Augustine grounds.

In the games they have played the Putnam High team has made a splendid showing when their experience is considered. The team is improving with every practice and will make a better showing today than in the two previous games.

The game will be called at 3:30. Admission 50 cents and 25 cents. It is hoped that a large number will attend the game. The team needs the encouragement of numbers and the management needs the money to pay expenses.

Poultry Clubs to Have Contest At Court Room Today

The Putnam County Poultry Club and the Pantry Club, which prospered so well during the last year under the supervision of Home Demonstration Agent, Miss Floressa Sipprell, will hold their annual contest at the county court house today.

Miss Sipprell has arranged for Mr. Ralph Stoutamire of the Extension staff of the University of Florida to act as judge. Miss Lanny Landrum, district agent, from State College, at Tallahassee, who has supervision of the northern and western counties will also be in attendance, all such contests being subject to her general supervision.

While the primary object of these contests is to encourage the young folks of the county, when the contest is held it is as well an occasion for the district agent to inspect the development following the instruction and the interest of the home demonstration agent.

Putnam county now has thirty clubs and there will be at least fifty individual contestants. Prizes last year permitted the winners to take a short course at the State College. No announcement has been made of the prizes for this year's contest although through the generous support of both the Palatka Kiwanis and Rotary Clubs it is probable that another short term course at Tallahassee.

hassee will be one of the awards.

Judging of two pure bred pullets one cockrel entered by each contestant, as well as the competition of all entrants in the Pantry Club will be held at the court house Saturday morning between ten and twelve o'clock. The program of the afternoon between two and three thirty o'clock will consist of the awarding of the prizes following addresses by County Clerk Raiford Hancock, Mr. Stoutamire, Miss Landrum and County Agent Armstrong, who has just taken up his duties here. This will afford the public an opportunity to meet Mr. Armstrong and to offer encouragement to him as well as to the home demonstration agent.

There is a growing interest in the competition of these contests, the entrants each year increasing in number as well as in the effort made to produce better grade poultry and canned goods.

Preparations are being made to care for a large gathering to view the work done this year.

Story Telling League Meets.

The members of the Story Telling League, a department of Palatka Community Service, held their first meeting of the year yesterday afternoon in the high school auditorium to discuss plans for the coming winter.

A number of the women who served on this committee last spring were present and all were anxious to go forward with the work. Mr. Teeters outlined the program which was endorsed unanimously. This will include one story hour a week to be held on the city hall grounds because of its central location. Saturday afternoon was the time decided on, the first hour to be held a week from today, November 5.

Mrs. J. H. Millican was elected chairman of the League, succeeding Mrs. C. C. Hudson, who carried on the work as chairman so ably last spring.

The time of the first story hour will be announced later.

—Mr. and Mrs. T. B. Munch and Mr. and Mrs. L. M. White returned yesterday afternoon from a couple of days' stay in Jacksonville.

—Mrs. H. R. Rich has returned from a two weeks' stay with relatives at Anniston, Ala.

—Friends of Mrs. Howell A. Davis are regretting the serious illness which necessitated her going to a hospital in Jacksonville yesterday. They will hope to hear shortly of her great improvement.

—B. A. Graham, who has been ill for some time, was out yesterday, to the pleasure of his friends.

—Mr. and Mrs. Westbrook, who have been making their home in Georgia for some time, have returned to Palatka, their former home, and will in future reside here.
